Add to your Playhouse experience by getting involved in the many opportunities of Playhouse Productions or serving on one of the essential Playhouse committees. Experience is not necessary, just a willingness to spend some time. If you are experienced, we want your help too. It is a great way to meet people if you are new to the community. There is great fun and satisfaction in being a part of a group that brings a polished show to our stage. If you would like to act, watch for our audition announcements. Again, experience is not a requirement.
